In the women's competition **Hedda Meijer and Debbie Spokes** beat **Paula Snow and Lisa Mullarkey** 2:0. Hedda and Debbie again the number one seeds powered their way to a resounding victory and now look to be the team to beat in the coming season.

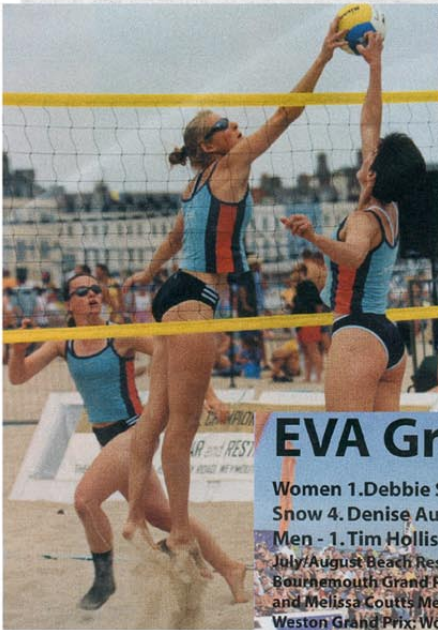

Bournemouth Beach Grand Prix in June was also great beach volleyball weather and with 30,000 people cramming on Bournemouth beaches, the beach volleyball at Bournemouth Pier provided good free entertainment for those who wanted to take in the carnival atmosphere and watch and admire fit bodies running and jumping in the sand.
